

Integrated Co-Occurring Disorders

About

Co-occurring disorders, a complex blend of mental health and substance use challenges, affect millions nationwide. At Adapt, we understand the intricate interplay between these disorders. Our Integrated Co-Occurring Disorders (ICOD) Program is designed to address this dual challenge with comprehensive, empathetic care, guiding you towards a holistic recovery journey.

Our Services

- **Comprehensive Assessment:** Our initial step involves a thorough evaluation to understand your unique needs, ensuring both your mental health and substance use disorders are effectively addressed.
- **Dual Credentialed Treatment Providers:** Our expert team, proficient in both mental health and substance use treatment, delivers cohesive care in individual and group settings, focusing on comprehensive recovery strategies.
- **Integrated Treatment Approach:** We adhere to best practices by treating both disorders simultaneously. Our holistic approach aims to foster recovery in all aspects of life, paving the way for sustainable wellness.

Our commitment to you extends beyond mere treatment. We strive to provide a supportive network addressing mental health, substance use, and overall well-being under a unified, integrated framework. With Adapt, you're not just receiving care; you're joining a community dedicated to holistic wellness.

About Adapt Integrated Health Care

Adapt is an Oregon leader in primary care, addiction treatment, mental health care and prevention services. For over 50 years, Adapt has provided the highest quality care to individuals and families struggling with substance use and behavioral health disorders. Our clinicians rely on the most current evidence-based treatment practices and are committed to excellence and high-quality care.

Affordable Care

Adapt is a preferred provider for most major insurance plans and we work with Coordinated Care Organizations to provide quality care for Oregon Health Plan and Medicare members.

No one is turned away due to inability to pay.

For un-insured patients, we offer a sliding scale discount based on family/household size and net income.

Our experienced intake team will work with you and your medical provider to identify your treatment needs, explore treatment options and assist with referrals and authorizations to help you get the care you need when you need it.
